

Author and title index

Volume 55, 2003

Issue & page

A

- Abdullah, R.**, see *Cox, A.*
- 3, p. 130 Accountability and demonstration of the value of information services in South African law firms
Garratt, O. and du Toit, A.
- 3, p. 181 After the disaster: drawing up the insurance claim
Howes, R.
- 5/6, p. 320 Availability and use of information touch-screen kiosks (to facilitate social inclusion)
Boudioni, M.

B

- Banyard, P.**, see *Joinson, A.N.*
- 5/6, p. 367 **Berridge, E.-J.** and *Roudsari, A.V.* diabCAL: evaluating computer-aided learning for diabetes patient education
- 1/2, p. 32 Beyond outputs: new measures of biomedical research impact
Lewison, G.
- 5/6, p. 320 **Boudioni, M.**
Availability and use of information touch-screen kiosks (to facilitate social inclusion)
- 5/6, p. 261 (The) British and their use of the Web for health information and advice: a survey
Nicholas, D., Huntington, P., Gunter, B., Russell, C. and Withey, R.
- 4, p. 203 (The) British Life and Internet Project: inaugural survey findings
Gunter, B., Russell, C., Withey, R. and Nicholas, D.

C

- 4, p. 193 Can remote Internet voting increase turnout?
Henry, S.
- 5/6, p. 277 Characterising and profiling health Web user and site types: going beyond "hits"
Huntington, P., Nicholas, D. and Williams, P.

- 3, p. 117 **Chua, A.**
Knowledge sharing: a game people play
- 4, p. 234 **Cloete, M.** and *Snyman, R.*
The enterprise portal – is it knowledge management?
- 4, p. 223 **Cloete, L.M., Snyman, R.** and *Cronjé, J.C.*
Training cataloguing students using a mix of media and technologies
- 1/2, p. 52 Comparing the use of two DiTV transmission services: same service, different outcomes
Huntington, P., Nicholas, D. and Williams, P.
- 3, p. 155 **Cox, A.** and *Yeates, R.*
Library portal solutions
- 4, p. 243 **Cox, A., Patrick, K.** and *Abdullah, R.*
Seeding a community of interest: the experience of the knowledge library project
Cronjé, J.C., see *Cloete, L.M.*

D

- 5/6, p. 357 **Dandy, J.**
Public awareness of patient rights, consent forms and advance statements
- 5/6, p. 367 diabCAL: evaluating computer-aided learning for diabetes patient education
Berridge, E.-J. and Roudsari, A.V.
- 1/2, p. 23 Digital information consumers, players and purchasers: information-seeking behaviour in the new digital interactive environment
Nicholas, D., Dobrowolski, T., Withey, R., Russell, C., Huntington, P. and Williams, P.
- 1/2, p. 43 Digital information provision via interactive television: understanding the digital consumer
Gunter, B.
- 5/6, p. 346 Digital interactive television: health information platform of the future?
Gunter, B., Nicholas, D., Huntington, P. and Williams, P.
- 1/2, p. 84 Digital journals, Big Deals and online searching behaviour: a pilot study
Nicholas, D., Huntington, P. and Watkinson, A.
- Dobrowolski, T.**, see *Nicholas, D.*
- du Toit, A.**, see *Garratt, O.*

E

- 3, p. 166** E-mail overload in the UK workplace
Ingham, J.
- 4, p. 234** (The) enterprise portal – is it knowledge management?
Cloete, M. and Snyman, R.

F

- 3, p. 138** First steps towards providing the UK with health-care information and advice via their television sets: an evaluation of four Department of Health-sponsored pilot services
Nicholas, D., Huntington, P., Williams, P. and Gunter, B.

G

- 3, p. 130** *Garratt, O. and du Toit, A.*
Accountability and demonstration of the value of information services in South African law firms
- 1/2, p. 43** *Gunter, B.*
Digital information provision via interactive television: understanding the digital consumer
Gunter, B., see Nicholas, D.
- 5/6, p. 346** *Gunter, B., Nicholas, D., Huntington, P. and Williams, P.*
Digital interactive television: health information platform of the future?
- 4, p. 203** *Gunter, B., Russell, C., Withey, R. and Nicholas, D.*
The British Life and Internet Project: inaugural survey findings

H

- Harrison, J., see Hepworth, M.*
- 5/6, p. 304** Health information on the Internet: a qualitative study of NHS Direct Online users
Williams, P., Huntington, P. and Nicholas, D.
- 4, p. 193** *Henry, S.*
Can remote Internet voting increase turnout?
- 5/6, p. 290** *Hepworth, M., Harrison, J. and James, N.*
Information needs of people with multiple sclerosis and the implications for information provision based on a national UK survey
- 1/2, p. 64** Home electronic health information for the consumer: user evaluation of a DiTV video-on-demand service

Williams, P., Nicholas, D. and Huntington, P.

- 3, p. 181** *Howes, R.*
After the disaster: drawing up the insurance claim
- 5/6, p. 277** *Huntington, P., Nicholas, D. and Williams, P.*
Characterising and profiling health Web user and site types: going beyond "hits"
- 1/2, p. 52** *Huntington, P., Nicholas, D. and Williams, P.*
Comparing the use of two DiTV transmission services: same service, different outcomes
Huntington, P., see Gunter, B.
Huntington, P., see Nicholas, D.
Huntington, P., see Williams, P.

I

- 1/2, p. 13** Information metrics and user studies
Tenopir, C.
- 5/6, p. 290** Information needs of people with multiple sclerosis and the implications for information provision based on a national UK survey
Hepworth, M., Harrison, J. and James, N.
- 3, p. 166** *Ingham, J.*
E-mail overload in the UK workplace

J

- James, N., see Hepworth, M.*
- 5/6, p. 313** *Joinson, A.N. and Banyard, P.*
Seeking alcohol information on the Internet
- 5/6, p. 334** *Jones, R.*
Making health information accessible to patients

K

- 1/2, p. 5** Knowledge production, consumption and impact: policy indicators for a changing world
Rowlands, I.
- 3, p. 117** Knowledge sharing: a game people play
Chua, A.

L

- 1/2, p. 32** *Lewison, G.*
Beyond outputs: new measures of biomedical research impact

5/6, p. 379 **Lewison, G.**

The publication of cancer research papers in high impact journals

3, p. 155 **Library portal solutions**
Cox, A. and Yeates, R.

M

4, p. 217 **MacFarlane, A.**
On open source IR

5/6, p. 339 **McWhirter, G.**
The potential for using hospital bedside TV services in England to provide patients with access to health information

5/6, p. 334 **Making health information accessible to patients**
Jones, R.

1/2, p. 18 **(Mis)understanding the digital media revolution**
Withey, R.

1/2, p. 75 **Modelling the diffusion of specialised knowledge**
Warner, J.

N

1/2, p. 23 **Nicholas, D., Dobrowolski, T., Withey, R., Russell, C., Huntington, P. and Williams, P.**

Digital information consumers, players and purchasers: information-seeking behaviour in the new digital interactive environment

1/2, p. 84 **Nicholas, D., Huntington, P. and Watkinson, A.**
Digital journals, Big Deals and online searching behaviour: a pilot study

5/6, p. 261 **Nicholas, D., Huntington, P., Gunter, B., Russell, C. and Withey, R.**
The British and their use of the Web for health information and advice: a survey

3, p. 138 **Nicholas, D., Huntington, P., Williams, P. and Gunter, B.**
First steps towards providing the UK with health-care information and advice via their television sets: an evaluation of four Department of Health-sponsored pilot services
Nicholas, D., see Gunter, B.
Nicholas, D., see Huntington, P.
Nicholas, D., see Williams, P.

O

4, p. 217 **On open source IR**
MacFarlane, A.

P

Patrick, K., see Cox, A.

5/6, p. 339 **(The) potential for using hospital bedside TV services in England to provide patients with access to health information**
McWhirter, G.

5/6, p. 357 **Public awareness of patient rights, consent forms and advance statements**
Dandy, J.

5/6, p. 379 **(The) publication of cancer research papers in high impact journals**
Lewison, G.

R

Roudsari, A.V., see Berridge, E.-J.

1/2, p. 5 **Rowlands, I.**
Knowledge production, consumption and impact: policy indicators for a changing world

Russell, C., see Gunter, B.

Russell, C., see Nicholas, D.

S

4, p. 243 **Seeding a community of interest: the experience of the knowledge library project**
Cox, A., Patrick, K. and Abdullah, R.

5/6, p. 313 **Seeking alcohol information on the Internet**
Joinson, A.N. and Banyard, P.

Snyman, R., see Cloete, L.M.

Snyman, R., see Cloete, M.

T

1/2, p. 13 **Tenopir, C.**
Information metrics and user studies

4, p. 223 **Training cataloguing students using a mix of media and technologies**
Cloete, L.M., Snyman, R. and Cronjé, J.C.

W

1/2, p. 75 **Warner, J.**
Modelling the diffusion of specialised knowledge

Watkinson, A., see Nicholas, D.

Williams, P., see Gunter, B.

- Williams, P.**, see *Huntington, P.*
- Williams, P.**, see *Nicholas, D.*
- 5/6, p. 304 Williams, P., Huntington, P. and Nicholas, D.**
Health information on the Internet: a qualitative study of NHS Direct Online users
- 1/2, p. 64 Williams, P., Nicholas, D. and Huntington, P.**
Home electronic health information for the consumer: user evaluation of a DiTV video-on-demand service
- 1/2, p. 18 Withey, R.**
(Mis)understanding the digital media revolution
- Withey, R.**, see *Gunter, B.*
- Withey, R.**, see *Nicholas, D.*
-
- Y**
- Yeates, R.**, see *Cox, A.*
